## PERSONAL ACCOMPLISHMENTS

### WHAT I HAVE ACHIEVED

- **Medal**: Winner of the Axia Technology Challenge (1st Secondary School Edition)
  **Issuer**: Axia Tech Hub (for coming First place in the 1st edition of the Axia Tech Challenge)
  **Activity**: I participated actively and represented my Secondary school, **Peakfield Academy, Jos** in a team of three members and embarked on the journey of learning Python and using the acquired skill to compete for 1st place. We were tasked with solving problems using Python, Knowledge of Mathematics, English and other subjects. Each member of the winning team got a NGN 150,000 scholarship to enrol in any of the courses taught at the hub.

SMY

- **Award**: KCCA Outstanding Tech Child of the Year (2022)
  **Issuer:** ADCA (Africa Digital Conference and Award 2022)
  **Activity:** After winning the Axia Tech Challenge, I was awarded the KCCA Outstanding Tech Child of the Year (2022) for the skills which I portrayed during the KCCA boot camp I attended. It was based on commitment, knowledge and skills, and I had all these qualities which enabled me to get this award.

## TECHNOLOGICAL SUMMARY/SKILLS

### TECH I CAN WORK WITH

- **LANGUAGES**: HTML, CSS, JavaScript, Python
- **FRAMEWORKS/CMS & LIBRARIES**: Bootstrap UI, Tailwind CSS, React JS
- **SOFTWARE**: Visual Studio Code, Sublime Text Editor, Microsoft Office
- **OPERATING SYSTEMS**: Windows, Macintosh

This does not mean I can't work with other software or on other platforms…
These are just the software and platform which I am common with and can easily switch within. Though, in cases where necessary, I will carry out tasks on any given software or platform as long as they are appropriate for the purpose.
